

Thanks to:

From the bottom of my heart I would like to thank my musicians Calle, Fredrik, Arve, Thomas, Martin, Hermund and Johannes for making the mountains higher, the fjords deeper and the winds stronger - with your beautiful playing. Thanks to Studio Epidemin, Johannes and Petter, for the great cooperation and the creative atmosphere. Thanks to my friend and menthor, Anders Jormin, for lending me your ears. Thanks to my wonderful family Erik, Simon and Klara - for all your love and inspiration! Thanks to the rest of my family and friends for your love, warmth and encouragement.

Yours,  
Gine Gaustad Andersssen

*In memories of Anders and Camilla.*
