

"The Future depends on what we do in the Present"
(Mohandas Gandhi)

The product of Homo Deus is a process in which the parts "animal, god, machine" are three-dimensionally (con)fused together. The world today is the protagonist of this charming Odyssey filled with an original mystery, with a spirit of the unknown that animates existences in the continuous search of happiness, truth, and faith.

LOGOUT

start by this, be afraid

COSMIC NIRVANA

to find a nonconformist happiness

INTERLUDE: PIANO

quies post tempestatem
